

June 2015

facebook

I want to get started on setting up the Facebook group as some of you have requested. I want it to feel like your group so I would be really grateful if people could have a think about some ideas for a name!

I am advertising for an editorial team!

I will monitor the page to make sure everything on it is appropriate but it would be great if anyone wanted to volunteer to be involved as group admins. Your main job would be to make sure there is content going on to the group so that it remains interesting and relevant.

Contact details:

If you would like to contact me I am based in the renal department at St George's hospital.

Telephone:  
0208 725 1919

Email:  
marielouise.turner@stgeorges.nhs.uk

**If anyone would like to write an article or has anything they would like to be included in this newsletter please let me know or send your brief article to me by email. I would love to hear from you!**

The KPA have asked me to include an advert for their upcoming event, the summer ball! They would love to get a younger group of people involved with the KPA. If anyone is interested in going or would like to know more please let me know or call the number on the leaflet.

It's for a great cause!

On Sunday July 12<sup>th</sup> I will be hosting my first Young Adult event!!

It will take place in Hyde Park and there will be a picnic, some music and some games. The event will be run for young adult kidney patients at St George's, Guys Hospital and the Royal Free as we thought a joint event might work well.

I hope as many of you will come as possible! I will provide more details as they are confirmed. Let me know if you have any comments, questions or additional ideas!

Ravenstor Weekend Away – Peak District

The Ravenstor weekend away has now been confirmed! And will be for three nights across the weekend of the 18th, 19th & 20th September.

The trip is FREE but places are limited so please let me know ASAP if you are interested in coming! This is open to young adult renal patients across the UK so places will be given on a first come first served basis.

It's a great opportunity to come away with other young adults from across the country. There will be a wide range of fun activities and workshops. I will be going too so if you have any questions or want to have a chat with me about it just give me a ring or send me an email!

Don't forget the UK transplant games are coming up (30<sup>th</sup> July-2<sup>nd</sup> August) in Newcastle and so are the world transplant games in Argentina (3<sup>rd</sup>-30<sup>th</sup>). Let me know if you're interested!

Remember there's now a young adult's corner on the St George's kidney patient association website! It would be great if anyone had any suggestions of things to add, or wanted to write anything to go up there!
